

# Signing instructions

Your draft is not legally valid until it is properly signed and witnessed. Follow these steps carefully.

## 1. Print the draft

Use a clear printed copy for signing.

## 2. Sign in front of two witnesses

Witnesses must be adults and not beneficiaries.

## 3. Store safely

Keep the signed copy somewhere secure and inform your executor.

## Who cannot be a witness

Any beneficiary or spouse of a beneficiary should not act as a witness.
